We focus on a safe, fun learning environment where they can achieve their goals!

In 2017-2018 our volunteer-based program served 2,700 lessons through more than 11,000 volunteer lesson hours utilizing over 100 volunteer instructors. These lessons were provided in skiing, snowboarding, biking, waterskiing, camping, kayaking, horseback riding, and much more. STARS is located in beautiful Steamboat Springs, Colorado. Steamboat has produced 89 Olympians, which is more than any other town in North America. Steamboat is a popular tourist destination and offers summer activities such as kayaking, paddle boarding, mountain biking, hiking, rafting, and more.
