

## Adaptive Snow Sports Instructor

**Title:** Adaptive Snow Sports Instructor

**Reports to:** Snow Sports Director

**Position Status:** Seasonal – Full time and Part time available

**Compensation:** \$20/hour with SSRC season pass

### Position Summary

A STARS Snow Sports Instructor primarily instructs adaptive skiing and snowboarding to individuals with disabilities in group and individual settings by creating a safe, fun, and effective learning environment. Additional functions include mentoring volunteers and interns, as well as caring for program equipment. Position is either Part-Time or Full-Time (35+ hrs/wk) from approximately 11/22/2022 to 4/02/2023 with the possibility to extend based on reservations.

### Duties and Responsibilities:

- Follows consistent safety procedures and utilizes appropriate safety equipment
- Assist with the set-up and tear-down of daily programs
- Attends STARS training sessions
- Performs student assessments
- Determines adaptive equipment and modifies as necessary for client performance and comfort
- Sets goals and lesson plans according to STARS and PSIA Standards and Policies
- Instructs individual or group lessons using appropriate teaching progressions and exercises
- Documents student progress and maintains accurate records
- Makes recommendations for future lessons.
- Assists with volunteer training
- Assists with STARS special events
- Creates and maintains a friendly, congenial and helpful attitude while effectively dealing with guests and other employees
- Mentor volunteers on core STARS values, customer service and best practices
- Complete administrative workflows necessary to the success of the program
- Performs other duties as assigned by the Program Director or other Lead Staff

### Core Requirements:

- Passion for adaptive sports and positive attitude
- Can work effectively and efficiently under pressure and timelines
- Timeliness
- Ability to be flexible, creative and adaptable to a variety of situations
- Excellent Customer Service Skills
- Mature and professional demeanor when communicating with instructors, staff, and clients
- Possesses the utmost respect and trust in regards to confidentiality
- Commitment to a positive, fun and team-oriented working environment
- Self-Motivated and Inquisitive

**Education and Experience:**

- High school diploma or GED.
- PSIA/AASI Alpine, Nordic or Snowboard Certifications (Highly Preferred)
- One year of experience working with individuals with disabilities. (Preferred)
- One year of experience teaching adaptive downhill snowsports. (Preferred)
- Basic computer knowledge and ability including Word and Excel
- Minimum level 6 skier and/or rider
- Knowledge of a wide variety of disabilities
- Capable of teaching levels 1-6
- College degree in Therapeutic Recreation, Special Education, or related field (Preferred)

**Physical Requirements:**

- Must be able to work outside in the winter under varying conditions a majority of the time
- Must be physically able to assist guests, students, or clients with ski or adaptive equipment
- Must be able to lift a minimum of 150 lbs. with assistance
- Must have auditory and visual ability to interact with guests, students, and clients on a daily basis
- Must be able to successfully manage multiple, high priority tasks in a fast-paced environment

**Work Environment:**

- Fast-paced, highly interactive office environment with moderate to high noise levels.

**Benefits**

- Helping STARS provide recreational opportunities to people with varying abilities who would not otherwise be able to participate in snow sports activities
- Receive a season pass to ski at Steamboat Ski Resort
- Industry Pro-Deals
- Successful PSIA/AASI certification reimbursements
- On-snow Training
